## Thanks and Thoughts

**From a Wife in Florida:** Thank you very much This is really thoughtfull... what your group is doing, God Bless you all !!!

**From a Wife in Missouri:** Thank you for your kindness.

**From a Mother in Pennsylvania:** Thank you for providing me with a shawl. It will be a comfort to have it.

**From a Wife in South Carolina:** I truly appreciate you reaching out to me and our family to provide a means of comfort. Blessings to you and yours.

**From a Father and Grandmother in California:** I am emailing you to say THANK YOU SO VERY MUCH. We received the prayer gifts and they are beautiful and what makes them even more beautiful is that they are for the comfort and peace of fallen soldiers like my son. We are so pleased to have them and mostly for the memory of our hero! All of you involved have touched our hearts, what a blessing. God bless your organization for all the families you have BLESS! As soon as I saw and felt them, we both felt the warmth of comfort. Once again, THANK YOU AND BE BLESSED. GOD BLESS AMERICA.

**From the Secretary of Friends of the Fallen at Dover Air Force Base:** I wanted to tell you how much I appreciate all you and your groups do for our families. We recently received a thank you note from the father-in-law of one of our fallen. He thanked the volunteers who were at the Dignified Transfer but also wrote the following. "**The lovingly handmade prayer shawls were a blessing that was a tangible reminder of your support and care during our son's return . May God bless you in your mission.**" Please share his comments with your groups. I hope they realize how invaluable their talents are to our mission. As we have said many times we could not do our mission without your support.

*Let the pleasure of the Lord our God be on us:  
O Lord, give strength to the work of our hands.
