## Thanks and Thoughts

**From a Mother in Montana:** My daughters would like one also for their brother. They are 11 and 13. Thank you for this kindness.

**From a Mother in Ohio:** I received your letter, Thank you so much

**From a Father in Kentucky:** Thank you for the offer of a shawl.

**From a Sister in North Carolina:** I would like to take this opportunity to THANK you from the bottom of my heart for the prayer shawl that was made for me ( and other members of my family). I personally sleep with mine—I find it to be very comforting. Please tell each and every person involved how much I appreciate this service. It was very tragic to lose my sister, but I can say this service has found a way to help make it a little easier.

## Stitching & Serving

*Since our last newsletter, shawls have been shared with families of these service members:*

*Please keep these families  
in your prayers.*

*Let the pleasure of the Lord our God be on us:  
O Lord, give strength to the work of our hands.  
Psalm 90:17 (BBE)*
