Thanks and Thoughts

From a Mother in South Carolina: We have received letters from you about the Shawls. I would love to have one. Thank you for all you do. It helps to know we are prayed for.

From a Sister on behalf of the Family: Thank you very much for the beautiful prayer shawls. We just received them today in the mail and I'll pass them along to all the family members of Andrew. Every time I use the shawl I will think of Andrew by my side. You are extremely thoughtful and thank you to all the ladies that made the shawls for us.

From a Wife in Pennsylvania: Thank you so much for this service. My husband was just 35 yrs old. We are expecting our first child in January. I'll be able to share this with her. It is comforting to know there are people out there that care and want to help.

From a Mother in Virginia: It would be an honor to have a shawl in remembrance of my son. Thank you for thinking of me during this difficult time.
