One Shawl Can Lead to...

During cancer treatment, Margaret Baker received a prayer shawl from the Caring Hands Prayer Shawl Ministry at her church, First United Methodist in Hartselle, Alabama. She was so touched by the gesture that she joined the group when she was feeling well again and has been an active shawl maker ever since

And the story continues: her son, Arrow of Light Cub Scout Gibson Baker completed his Duty to God in Action service requirement by assisting the shawl group. He spent several hours compiling an inventory of the shawls and yarn supplies, organizing the cards which accompany the shawls, and enjoying fellowship with the shawl group. He has been such a blessing!

Prayer shawls have potential!
