Thanks and Thoughts

From a Family in Maryland: Thank you so much for the Prayer Shawls. They are really quite lovely and deeply appreciated. It is wonderful that you take the time and love to make such beautiful work. I just wanted to tell everyone involved who took their time to make these four shawls for my family. I truly miss our son so very much and it is a comfort to wrap this around me, knowing it has come from love and understanding. Thank you again for offering this to us.
