Thanks & Thoughts

From a Mother in Texas: Thank you so much

From a Mother in California: I would like to say thank you to all the volunteers that help to make this possible for families of fallen soldiers! It won't bring your loved one back but it shows that people in the world do care for our loved one, who gave their life to serve the United States. My son was only 28 years old and I miss him so much. I appreciate your dedication and commitment for these men and women. Thank you, from the bottom of my heart.

***Let the pleasure of the Lord our
God be on us: O Lord, give strength
to the work of our hands.***

Psalm 90:17 (BBE)
